

# Flush Without Fear Blu-Shield Is Here!

## GO AHEAD and TOUCH IT!

Protected by a lifetime antimicrobial coating, Delany Products Blu-Shield coating provides a fungus free, bacteria resistant surface. So when you see the Delany Blu-Shield handle, Go ahead and touch it!

Any Delany Products Flush Valve or Retro-Fit Kit can be ordered with the new Blu-Shield handle, by just adding the variation "AM" after the model number, making it a great low cost solution for schools, municipal buildings, hospitals, or any public building.
